

The Need for *SPEED*

ECAWA
STATE CONFERENCE 2002
FRIDAY 13 — SATURDAY 14 SEPTEMBER

ATRIUM HOTEL
MANDURAH

A CALL FOR PRESENTERS

After last year's successful conference held in Bunbury, ECAWA this year brings its conference back to the familiar surroundings of the Atrium Hotel in Mandurah.

With ICT playing such a pivotal role in our classroom practice today the conference committee are looking forward to hearing from you, the innovators in your classroom.

How might the speed of information transmission effect learning ?

How are educators coping with the speed of change ?

Has the need for speed distracted us from other core business ?

How can technology help us cope with the speed of change ?

This is your opportunity to make a real and practical contribution to the continuing development of the use of ICT in Western Australian schools.

We would love to hear from you **NOW**. Please complete the form, A Call for Presenters on the reverse side and we will be in contact with you.

Please register your intent to present no later than Friday July 5.

[End of Term 2]

AN OUTSTANDING PROFESSIONAL DEVELOPMENT OPPORTUNITY!

Conference participants will be provided with:

- Two fascinating days of professional development delivering the latest happenings in relation to ICT in our schools and colleges
- Access to our valued commercial vendors
- Accommodation on Friday night at the Atrium Hotel
- A gala Conference Dinner staged at the Atrium Hotel
- all meals provided
