

# Workcard

Number

N34w12

Level: 3

Strand: Number

Substrand: Reason About Number Patterns

Double trouble –

Starting with the numbers from 1 to 10. Double each of them 10 times

Copy and Complete

	1	2	3	4	5	6	7	8	9	10
1	2	4	8	16	32	64	128	256	512	1024
2										
3										
4										
5										
6										
7										
8										
9										
10	20	40	80	160	320	640	1280	2560	5120	10240

Choose 5 other numbers and double them as well 10 times

---

## Reflection

What did you do well in this activity?

What could have you improved?

What new things have you learnt?
