What do I need

In your table group decide what information you would collect to help you answer each of the following problems.

I believe that the law that stops shop owners from selling cigarettes to people under 18 is ineffective.

What data should I collect

From who? Why?

I want to start an ice block company in Anchorage, Alaska. Would this be a good idea?

What data should I collect

From who? From where? Why?

My car needs a new paint job. I want a nice colour that is not unusual.

What data should I collect?

Where should I collect it? How?
