Tally Ho

Here is the tally sheet from a survey

Fill out the total columns

Favourite Colour	Tally	Total
Red		
Blue		
Green		
Purple		
Yellow		
Black		

Rank the colours from most popular to least popular.

Here is an easier tally system

What makes it easier?

Things I like to eat	Tally	Total
Pizza		
Salad		
Hamburgers		
BBQ Chicken		

What is the most favourite food?

What is the least favourite?

How many people were surveyed?

Rewrite the first table using the easier tallying system.

Reflection

When would tallying be useful?

What other system could you use to record information as you ask questions.
