

Workcard

Level: 4

Strand: Measurement

Substrand: Indirect Measure

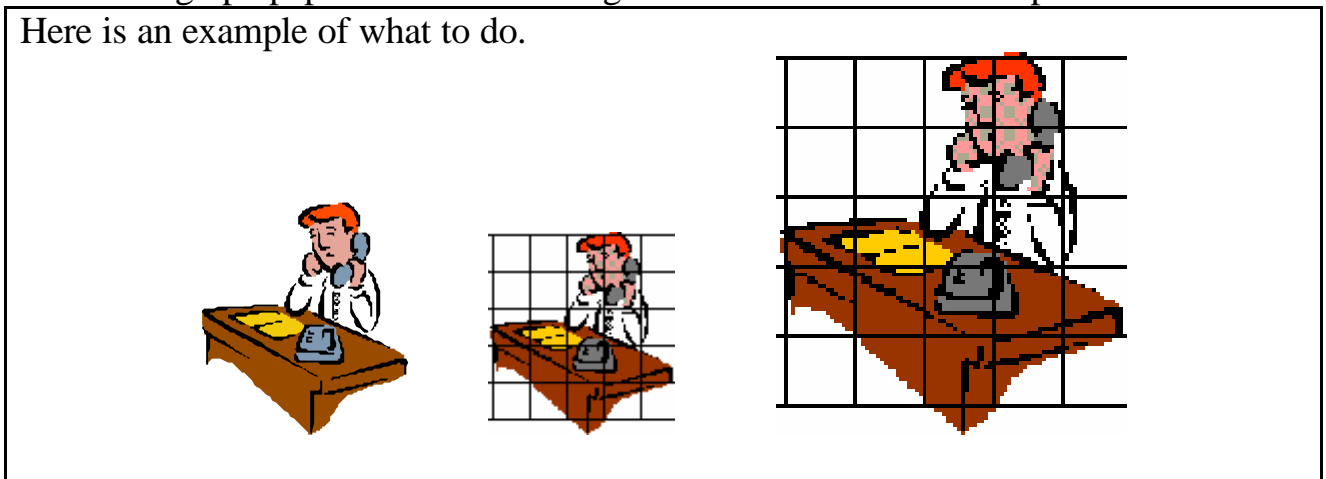

Enlarging Pictures

Choose one of the pictures on the sheet.

Draw a grid over the picture

Then use graph paper to draw an enlargement and reduction of the picture.

Here is an example of what to do.

You can use this technique on any picture which is on paper.

Reflection

What did you do well in this activity?

What could have you improved?

What new things have you learnt?
