

**Work Card**

Number

m33w1

Level: 3

Strand: Measurement

Substrand: Estimate

**How Long will it take??**

Classify these events into those that take about, more than or less than one hour, half an hour or five minutes.

Taking a shower

Walking to school

Watching Home and Away

Baking a cake

Watching a movie

Putting on you socks

Drinking a can of coke

Cooking dinner

Driving to Perth

Watching an AFL football

Mowing the Lawn

Solving a Word Sleuth

Jogging around the school oval

Each event can be classified in three ways.

Draw up a table to and then classify them.

<b>More than an Hour</b>	<b>Less than an Hour</b>
<b>More than Half an Hour</b>	<b>Less than half an hour</b>
<b>More than 5 minutes</b>	<b>Less than Five Minutes</b>

Now you must write down your own events

Write down six events for each heading

More than an Hour

Less than an Hour

More than Half an Hour

Less than half an hour

More than 5 minutes

Less than Five Minutes

**Reflection**

What did you do well in this activity?

What could have you improved?

What new things have you learnt?
